Please answer the following questions. The committee will award scholarships based on level of interest from the campers and need.

1.) Why does your child want to attend camp

2.) How would your child benefit from attending this camp?

3.) Has your child participated in theater activities or shown interest in theater?

4.) This is not required, but we want to accommodate as many children as possible. We ask each family to contribute at least \$25 towards their child's attendance. Please list the total amount you can contribute to the tuition so that we can make the best use of our scholarship resources. (Note: If you cannot contribute \$25, we will work with your child to raise those funds for their scholarship.)

5.) Is there anything else you would like the scholarship committee to know?
